People continue to obey the Gospel and respond in other ways to the invitation. We extend a hearty welcome to these new members. All of us should make them feel at home in the Lord's family.

THERE ARE PEOPLE all around us who are interested in the Truth and willing to be taught. Many calls are being received, indicating such an attitude. There may be someone in your neighborhood who is just waiting for a friendly word and an invitation from you to attend our services. Now is the time for every member of the church to put forth a special effort to save the lost in this community. You can do more than you think.

THERE IS PLENTY TO DO if you can spare the time...Lots of extra office work and other odd jobs around the building. The card holders for the pews have arrived and it will take plenty of man power to do this work. Check with Bro. Morris Robinson.

THE NEW CHURCH DIRECTORY letters are ready for mailing. Please complete the "Information Sheet", which you will receive with the letter, and return it to the church office as soon as possible. Each member of the congregation must complete one before the directory can be printed. That is the only way we can be sure of up-to-date information.

THE INFORMATION SHEET referred to above is three-fold in purpose: 1. It will make possible the new Church directory. 2. It will bring up to date information needed by Bro. McClung, Elders, Deacons, and other leaders in planning the work. 3. It will supply valuable "family information" which is needed so badly by the Minister of Education, supervisors, and the teachers. You will render a valuable service in this congregation by giving your special attention and cooperation to the letter and form which you will receive.

THE CLASS FOR NEW CONVERTS, which is being conducted by Bro. McClung each Monday night at 7:30, started last week with 19 in attendance. The class was planned for 30 minutes of lecture and 30 minutes of open forum, but the interest was so great in the first class that it lasted for almost two hours. An hour of fellowship in the basement following the class turned out to be another hour of Bible discussion. This class is open to all who have come into the Church during recent months, and who feel the need for such study.

FATHERS AND MOTHERS, it has been estimated that 85% of those who render obedience in the Gospel come from our Bible classes. This is probably a conservative estimate. One of the easiest and one of the most important steps you can take for your child is to bring him to Bible classes. Your child has faith in you. Be sure and stay for class yourselves. All of us need to study the Bible.

THE FAITH VILLAGE letters, which set forth our part and obligations in helping to establish the new congregation, would have been received by every family in the congregation by now. Every member should desire a part in this work. November 15th, is the day set for these additional donations. If that is not convenient, please fill in one of the cards, setting forth your desires. This is a real opportunity in the Lord's work.

PLEASE KEEP IN MIND that special donations of any kind are not designed to augment or supplement our regular giving. They are "In addition To", not "In place of". We have a large program of work in preaching the Gospel in many fields and carrying on various benevolent works. These call for a large budget, regular and liberal giving. Certain worthwhile projects like Faith Village, require our fellowship in addition to our regular budget.

YOUR CONTINUED COOPERATION in coming to the front is appreciated. It adds much to the service and you are having an additional part in the Lord's work.

MAKE MID-WEEK SERVICE a family affair. You are needed in this work, and it will make you a stronger Christian. There are classes for all ages, in addition to the inspirational talks given by various members of the church and Bro. McClung. Bro. Kelcy recently referred to these mid-week services as indicating the real strength of the congregation. It also determines the love, the interest, and the strength of the individual Christian. You and all your family will receive a great blessing from these services.

ALL LADIES are urged to attend Bible class this coming Wednesday morning at 10:00 and bring a covered dish. It will be WORK DAY again, so please come prepared to stay for several hours. You will enjoy being a part of all the fine work in which this class is engaged, and God will be pleased.

WORK DAY ACTIVITIES include hospital visitation, visiting new members, repairing clothing and restocking the pantry, planning how more people can be encouraged to take an active part in such work, planning emergency lunches for the bereaved, checking baptismal equipment, and planning needed assistance for baptismal services, helping with office work, sewing, and many other items. There is something which every lady of the congregation can do.
