"NOBODY SPOKE TO ME" . . . Let all of us put forth such a concerted effort to speak to every person whom we do not know that such a statement will never be made again by one who comes to our building. It is in opposition to the very essence of Christianity for members of the church to manifest an unfriendly or cold attitude toward those with whom they are not acquainted. "Let love be without dissimulation... Be kindly affectioned one to another ..." (Rom. 12:9,10). Here are two ways to help make this the friendliest group of people in Wichita Falls:

1. Do not sit next to your best friends in Bible classes or in the auditorium. Sit beside someone you do not know, and get acquainted at the first opportunity.
2. Do not get in a circle of your best friends after services. Make it a point to spend your time greeting, talking, and becoming friends with visitors and others whom you do not know.
