Children's Ministry Safety Program

One of the missions of the Tenth & Broad Children's Ministry is to provide a safe environment for children. For that reason, we require anyone working with our children to be members of the Tenth & Broad Church of Christ and to have a volunteer application and background check on file with the Children's Ministry. We will be updating our information and are requiring all volunteers to fill out new volunteer applications, even if you have already done so. These applications are available at the Children's Ministry office or they can be downloaded from our website:
