Talk It Over:

Faith in Action

- Ice Breaker- Go around the group and share a favorite person from the bible whose great faith has always impressed you.

Read James 2:14-17

- In your own words, what good is faith without action or deeds according to what James says here?
- Why do you think that James says faith without action is as good as dead? Is that too harsh a statement? (verse 17)

Read James 2:18-19

- Do you think it's possible to show others your faith without also showing them your good deeds?
- In your opinion do these things fit together or do they stand alone? Why?

Read James 2:20-24

- James uses Abraham as an example of faith being made complete by action. Think about the people that we mentioned in the ice breaker question, what do we know about their faith apart from what they did (the actions that they took)?
- What are some things that you think hold people back from acting on their faith?
- Having an "active faith" is a phrase we use a lot in church. In your words describe what it means or what it looks like for someone to have an active faith.

Prayer: Pray for the needs of the group and for God to help us to increase our faith and put it into action!
